ORDINANCE NO. 20223

AN ORDINANCE introduced by City Manager Brent Trout creating a new Chapter 8.65 of the Topeka Municipal Code requiring registration of vacant properties and properties that are the subject of mortgage foreclosure proceedings.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF TOPEKA, KANSAS:

Section 1. That the Code of the City of Topeka, Kansas, is hereby amended by adding a section to be numbered 8.65.010, which said section reads as follows:

Purpose and intent.

It is the purpose and intent of the governing body to establish a process to address the deterioration, crime, and decline in value of properties located in neighborhoods caused by properties with mortgages in foreclosure and to identify, regulate, limit and reduce the number of these properties. The governing body finds that occupied structures are generally better maintained when compared to vacant structures. Chronically vacant and unutilized structures or structures owned by individuals who are economically strained and unable to meet their mortgage obligations are often not properly or diligently maintained, which contribute to blight, lower property values, and have a negative impact on the residential areas where they are located. It is the governing body’s further intent to establish a registration program as a mechanism to help protect neighborhoods from becoming blighted through the lack of adequate maintenance of properties that are in foreclosure or are chronically vacant and unutilized.

Section 2. That the Code of the City of Topeka, Kansas, is hereby amended
by adding a section to be numbered 8.65.020, which said section reads as follows:

**Definitions.**

The following words, terms, and phrases, when used in this chapter, shall have
the meanings ascribed to them in this section, except where the context clearly
indicates a different meaning.

“Default” shall mean that the mortgagor has not complied with the terms of the
mortgage on the property, or the promissory note, or other evidence of the debt,
referred to in the mortgage.

“Director” shall mean the director of neighborhood relations or the director’s
designee.

“Enforcement officer” shall mean any law enforcement officer, building official,
zoning inspector, code enforcement officer, fire inspector, building inspector, or other
person authorized by the City to enforce any applicable ordinance.

“Foreclosure or foreclosure action” shall mean the legal process by which a
mortgagee, or other lien holder, terminates or attempts to terminate a property owner's
equitable right of redemption to obtain legal and equitable title to the real property
pledged as security for a debt or the real property subject to the lien. The legal process
is not concluded until the property obtained by the mortgagee, lien holder, or designee,
by certificate of title, or any other means, is sold to a bona fide purchaser in an arm’s
length transaction to satisfy the debt or lien.

“Governmental entities” shall mean any federal agency, city, county, school
district or other taxing subdivision.

“Mortgagee” shall mean the creditor, including but not limited to, trustees;
mortgage servicing companies; lenders in a mortgage agreement; any agent, servant, or employee of the creditor; any successor in interest; or any assignee of the creditor’s rights, interests or obligations under the mortgage agreement; or any other person or entity with the legal right to foreclose on the real property, excluding governmental entities.

“Owner” shall mean every person, entity, or mortgagee, who alone or severally with others, has legal or equitable title to any real property; has legal care, charge, or control of any such property; is in possession or control of any such property; and/or is vested with possession or control of any such property, excluding governmental entities. A property manager shall not be considered the owner. In the absence of substantial evidence to the contrary, records of the Shawnee County Clerk's Office, Registrar of Deeds, certified copies of court records or judgments of any court, copies of lease agreements, contracts for deed, mortgages, tax records, rental agreements and other financial documents related to the property shall be conclusive evidence of the ownership of the property.

“Property manager” shall mean any party designated by the owner as responsible for inspecting, maintaining and securing the property as required in this chapter.

“Real property” shall mean any residential or commercial land and/or buildings, leasehold improvements and anything affixed to the land, or portion thereof identified by a property parcel identification number, located in the City limits.

“Registrable property” shall mean:

(a) Any real property located in the City, whether vacant or occupied,
that meets any of the following conditions:

(1) The property is the subject of a foreclosure action filed by the mortgagee;

(2) A judgment of foreclosure has been entered;

(3) A foreclosure sale has occurred and title transferred to the beneficiary of a mortgagee; or

(4) The property has been transferred to a mortgagee under a deed in lieu of foreclosure/sale.

The designation of a property as “registrable” shall remain in place until such time as the property is sold to a bona fide purchaser in an arm’s length transaction or the foreclosure action has been dismissed and any default on the mortgage has been cured.

(b) Any property that is vacant for more than one hundred eighty (180) days.

“Registry” shall mean a web-based electronic database of searchable real property records, used by the City to allow mortgagees and owners the opportunity to register properties and pay applicable fees as required in this chapter.

“Renovation activities” shall mean actions that demonstrate that property is being repaired, remodeled, or rehabilitated. Such activities shall include, but not be limited to, painting, roofing, wallpapering, tiling, carpeting, installing cabinets/counter tops, installing heating/cooling systems, and repairs to any part of the structure including, but not limited to, the foundation, windows, doors, siding, and porches.

“Semi-annual registration” shall mean six (6) months from the date of the first
action that requires registration, as determined by the director, and every subsequent six (6) months. The date of the initial registration may be different than the date of the first action that required registration. “Utility” shall mean any utility and/or service that is essential for a building to be habitable and/or perform a service necessary to comply with all City ordinances. This includes, but is not limited to, electrical, gas, water, and sewer.

“Vacant” shall mean any building or structure intended for residential or commercial use which does not appear to be occupied or in use by the owner or tenant on a permanent, non-transient basis. Evidence that a property is “vacant” shall include any condition that on its own, or combined with other conditions present, would lead a reasonable person to believe that the property has not been occupied or in use for at least one hundred eighty (180) days. Such conditions may include, but are not limited to: overgrown and/or dead vegetation; past due utility notices and/or disconnected utilities; accumulation of trash junk or debris; abandoned vehicles, auto parts and/or materials; the absence of furnishings and/or personal items consistent with habitation or occupancy; the presence of an unsanitary, stagnant swimming pool; the accumulation of newspapers, circulars, flyers and/or mail; statements by neighbors, passers-by, delivery agents or government agents; and/or the presence of boards over doors, windows or other openings.

Section 3. That the Code of the City of Topeka, Kansas, is hereby amended by adding a section to be numbered 8.65.030, which said section reads as follows:

Establishment of a registry. The director shall establish a registry cataloging each registrable property
containing the information required by this chapter.

Section 4. That the Code of the City of Topeka, Kansas, is hereby amended by adding a section to be numbered 8.65.040, which said section reads as follows:

Registration of Property Subject to Mortgage Foreclosure.

(a) Within ten (10) days of the date that the property becomes registrable, the mortgagee shall:

(1) Register the real property and indicate whether the property is vacant; and

(2) If the property is vacant, the mortgagee shall designate in writing a property manager to inspect, maintain and secure the real property. A separate registration will be required for each registrable property.

(b) Initial registration pursuant to this section shall contain at a minimum the name of the mortgagee, the mailing address of the mortgagee, e-mail address, telephone number and name of the property manager and the manager’s mailing address, e-mail address, and telephone number.

(c) At the time of initial registration each registrant shall pay a non-refundable semi-annual registration fee to be determined by the director, with the approval of the city manager, in an amount not to exceed five hundred dollars ($500) for each registrable property. Subsequent semi-annual registrations of registrable properties and fees in that amount shall be due within ten (10) days of the expiration of the previous registration.

(d) If the mortgage and/or servicing on a property is sold or transferred, the new mortgagee is subject to all the terms of this chapter. Within ten (10) days of the
transfer, the new mortgagee shall register the property or update the existing registration. The previous mortgagee(s) will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that mortgagee’s involvement with the property.

(e) If the mortgagee sells or transfers the registrable property in a non-arm’s length transaction to a related entity or person, the transferee is subject to all the terms of this chapter. Within ten (10) days of the transfer, the transferee shall register the property or update the existing registration. Any and all previous unpaid fees, fines, and penalties, regardless of who the mortgagee was at the time registration was required, including but not limited to unregistered periods during the foreclosure process, are the responsibility of the transferee and are due and payable with the updated registration. The previous mortgagee will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that mortgagee’s involvement with the property.

(f) Properties subject to this section shall remain subject to the semi-annual registration requirement, the security, and maintenance standards of this section as long as the property remains registrable.

(g) Failure of the mortgagee and/or owner to properly register, pay the registration fees, or to modify the registration to reflect a change of circumstances as required by this ordinance is a violation of this chapter and shall be subject to a civil penalty of not to exceed $250 for each violation. Each property shall constitute a separate offense. A citation may be issued every thirty (30) days by the director until a registration statement, payment of the registration fees, amendment, or other statement
required by this chapter is filed.

(h) If the civil penalties are not paid within thirty days from the payment date or, if appealed pursuant to Chapter 2.145 TMC, thirty (30) days from the final decision of the hearing officer, the obligation shall constitute a lien upon the real property and shall be assessed as a special assessment against the property that is the subject of the requirement. The city clerk shall certify the unpaid portion of the penalty to the county clerk who shall collect the assessment at the same time as ad valorem property taxes.

Section 5. That the Code of the City of Topeka, Kansas, is hereby amended by adding a section to be numbered 8.65.050, which said section reads as follows:

Registration of Vacant Property.

(a) (1) Any owner of vacant property located within the City shall register the real property within ten (10) days after the property becomes vacant, or within ten (10) days after assuming ownership of the property, whichever is later.

(b) Initial registration pursuant to this section shall contain at a minimum the name of the owner, the mailing address of the owner, e-mail address, and telephone number of the owner, and if applicable, the name and telephone number of the property manager and the manager's address, e-mail address, and telephone number.

(f) Properties subject to this section shall remain subject to the semi-annual registration requirement, the security, and maintenance standards of this section as long as the property is vacant.

(g) Properties registered as a result of this section are not required to be registered again under TMC 8.65.040.

(h) Failure of the owner to properly register, pay registration fees, or to modify the registration to reflect a change of circumstances as required by this ordinance is a violation of this chapter and shall be subject to a civil penalty of not to exceed $250 for each violation. Each property shall constitute a separate offense. A citation may be issued every thirty (30) days by the director until a registration statement, payment of registration fees, amendment, or other statement required by this chapter is filed.

(i) If the civil penalties are not paid within thirty days from the payment date or, if appealed pursuant to Chapter 2.145 TMC, thirty (30) days from the final decision of
the hearing officer, the obligation shall constitute a lien upon the real property and shall
be assessed as a special assessment against the property that is the subject of the
requirement. The city clerk shall certify the unpaid portion of the penalty to the county
clerk who shall collect the assessment at the same time as ad valorem property taxes.

by adding a section to be numbered 8.65.060, which said section reads as follows:

or structure must be repaired. Broken windows shall be secured by re-glazing of the
window.

(c) If a property is registrable, a property manager shall be designated by the
mortgagee and/or owner to perform the work necessary to bring the property into compliance with section 8.65.060 and the property manager must perform regular inspections to verify compliance with the requirements of this chapter and any other applicable laws.

(d) When a property subject to this chapter becomes vacant, it shall be posted with the name and twenty-four (24) hour contact telephone number of the property manager. The property manager shall be available to be contacted by City staff Monday through Friday between 9:00 a.m. and 5:00 p.m., legal holidays excepted.
