In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of

such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Notes.

The Issuer and the Note Registrar shall not be required (a) to register the transfer or exchange of any Note that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to *Article III* hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Note during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this *Article II*.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Note is registered on the Note Register as the absolute Owner of such Note, whether such Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Note and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Notes then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Note Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Notes. Each of the Notes, including any Notes issued in exchange or as substitutions for the Notes initially delivered, shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes in the manner herein specified, and to cause the Notes to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Notes shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. The Notes shall be countersigned by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed or imprinted adjacent thereto following registration of the Notes by the Treasurer of the State of Kansas. In case any officer whose signature appears on any Notes ceases to be such officer before the delivery of such Notes, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Note may be signed by such persons who at the actual time of the execution of such Note are the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as *EXHIBIT A* hereof, which shall be manually executed by an authorized officer or employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar.

Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Note Ordinance. Upon authentication, the Note Registrar shall deliver the Notes to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Notes. If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Ordinance equally and ratably with all other Outstanding Notes.

Section 209. Cancellation and Destruction of Notes Upon Payment. All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Notes; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Notes, except in the event the Note Registrar issues Replacement Notes as provided in this Section. It is anticipated that during the term of the Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Notes to the Participants until and unless the Note Registrar authenticates and delivers Replacement Notes to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Ordinance or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. For the purpose of enabling the Purchaser to comply with the requirements of Section (b)(1) of the SEC Rule, the Issuer hereby deems the

information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Section (b)(1) of the SEC Rule, and the appropriate officers of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of the SEC Rule.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and Chief Financial Officer are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of the Notes sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Notes. The sale of the Notes to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Notes shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the passage of this Note Ordinance), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF NOTES

Section 301. No Redemption of Notes. The Notes shall not be subject to optional redemption and payment prior to their Stated Maturity.

ARTICLE IV

SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and from general obligation bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 402. Levy and Collection of Annual Tax. The Governing Body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be

kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Notes as and when the same become due, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Notes when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF NOTE PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Notes, there shall be created within the Treasury of the Issuer the following funds and accounts:

- (a) Project Fund for Taxable General Obligation Temporary Notes, Series 2023-B.
- (b) Debt Service Account for Taxable General Obligation Temporary Notes, Series 2023-B.
- (c) Costs of Issuance Account for Taxable General Obligation Temporary Notes, Series 2023-B.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Note Ordinance so long as the Notes are Outstanding.

Section 502. Deposit of Note Proceeds. The net proceeds received from the sale of the Notes shall be deposited simultaneously with the delivery of the Notes as follows:

- (a) All accrued interest and excess proceeds, if any, received from the sale of the Notes shall be deposited in the Debt Service Account.
- (b) The sum of \$76,715.50 shall be deposited in the Costs of Issuance Account.
- (c) The remaining balance of the proceeds derived from the sale of the Notes (\$8,000,000) shall be deposited into the Project Fund.

Section 503. Application of Moneys in the Project Fund. Moneys in the Project Fund shall be used for the sole purpose of paying the costs of the Project, in accordance with the plans or agreements heretofore approved by the Governing Body and on file in the office of the Clerk, including any alterations in or amendments to said plans or agreements deemed advisable and approved by the Governing Body.

Withdrawals from the Project Fund shall be made only when authorized by the Governing Body. Each authorization for costs of the Project shall be supported by a certificate executed by the Chief Financial Officer (or designate) stating that such payment is being made for a purpose within the scope of this Note Ordinance and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof.

Authorizations for withdrawals for other authorized purposes shall be supported by a certificate executed by the Chief Financial Officer (or designate) stating that such payment is being made for a purpose within the scope of this Note Ordinance. Upon completion of the Project, any surplus remaining in the Project Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Notes provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the Governing Body in accordance with the laws of the State; (2) an ordinance authorizing the use of the proceeds of the Notes to pay the Financeable Costs of the Substitute Improvement has been duly passed by the Governing Body pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution or ordinance to the transcript of proceedings for the Notes to include the Substitute Improvements; and (4) the use of the proceeds of the Notes to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Notes under State law.

(b) The Issuer may reallocate expenditure of Note proceeds among all Project components financed by the Notes; provided the following conditions are met: (1) the reallocation is approved by the Governing Body; (2) the reallocation shall not cause the proceeds of the Notes allocated to any Project component to exceed the Financeable Costs of the Project component; and (3) the reallocation will not adversely affect the tax-exempt status of the Notes under State law.

Section 505. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Notes as and when the same become due and the usual and customary fees and expenses of the Note Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Notes and the fees and expenses of the Note Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent, if other than the Issuer, in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Note Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Ordinance and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Notes were issued shall be transferred and paid into the Bond and Interest Fund.

Section 506. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted

Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Note Ordinance in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of acquisition of the Project, earnings on the investment of such funds may be credited to the Debt Service Account.

Section 507. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 90 days after the issuance of the Notes, shall be transferred to the Project Fund until completion of the Project and thereafter to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Note Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Ordinance or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Ordinance. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Ordinance and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Ordinance if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent, or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Ordinance.

ARTICLE VIII

CONTINUING DISCLOSURE REQUIREMENTS

Section 801. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by

reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 802. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 901. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Ordinance, the Issuer shall promptly cure such deficiency.

Section 902. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Ordinance, may be amended or modified at any time in any respect by resolution or ordinance of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) Extend the maturity of any payment of principal or interest due upon any Note;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;
- (c) permit preference or priority of any Note over any other Note; or
- (d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Ordinance.

Any provision of the Notes or of this Note Ordinance may, however, be amended or modified by ordinance duly passed by the Governing Body at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Project, to reallocate proceeds of the Notes among Project components, to provide for Substitute Improvements, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Ordinance, to which the written consent of the Owners is given, as above provided, shall be expressed in an ordinance passed by the Governing Body amending or supplementing the provisions of this Note Ordinance and shall be deemed to be a part of this Note Ordinance. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of this Note Ordinance shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or of this Note Ordinance will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Ordinance which affects the duties or obligations of the Paying Agent under this Note Ordinance.

Section 903. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Ordinance, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Ordinance, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Ordinance, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

Section 904. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Ordinance shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 905. Electronic Transactions. The issuance of the Notes and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 906. Further Authority.
